MOTION TO SUSPEND CHAPTER 13 PAYMENTS

COME NOW, the Debtors, James Lee Pritchard and Misty Bullard Pritchard, in the above and styled numbered cause of action, by and through their attorney and file this Motion requesting leave from the Court to suspend the monthly payments to the Trustee for October, November and December 2018 and do respectfully show the Court the following:

1. That the Debtor was injured at work and has been drawing temporary disability payments since the injury. He received his last payment in September 2018. He expects to begin permanent disability payments within the next thirty to forty-five days. Because of this shortage in income, the Debtors move for a suspension of plan payments.
2. The current wage order is through Lafayette County Schools, the Co-Debtors employer.

3. Because of the temporary loss of income from Debtor until he begins to receive his monthly permanent disability income, Debtors request their monthly payment plan be suspended in October, November and December 2018.

4. That subsequently, their payment plan will be amended to cure the delinquency created by this suspension together with any delinquency which existed prior to the requested suspension period. Upon conclusion of the suspension, plan payments shall be withheld from Co-Debtor's employer, Lafayette County Schools at the address as it is being withheld now.

WHEREFORE, Debtor prays that the Court enter an Order suspending the plan payment for October, November and December 2018 and that the Trustee shall be given authority to amend the plan payment to cure the delinquency created by this suspension together with any delinquency which existed prior to the requested suspension period and plan payment shall be withheld from Co-Debtor's employer, Lafayette County Schools, at the address it is being withheld now.

THIS THE 11 day of October 2018.
